We had Rev. Paul Reynolds with us in reference to the people keeping the stores open on Sunday, after some complaints from some of the neighbors of same. Mayor explained that there was no Town Ordinance prohibiting this but maybe Mr. Vickers could give him some information.

In the storm a large tree fell on the porch of Mrs. John C. Davis on Queen Street and when the men were removing same the roof and cornice were damaged. The damage to be repaired at the expence of Council.

Perry Dixon colored resident on Queen Street left hand side, complained that the street had been filled in and deteriorated his property.

A large Gasoline Truck belonging to The Gulf Refining Co. went through the pavement on Cross Street opposite Jones & Satterfield's. Store.

The Audit was then brought up and Mayor Wilmer asked if the Clerk would break down the uncollected taxes in the years.

A motion was made by Mr. Rogers seconded by Dr. Moyer that we order 1000 gallons of patching material as we were out.

There being no further business the meeting was adjourned by Mr. Rogers seconded by Mr. Moyer.

Marie B. Lyle
