A delegation composed of Mr. & Mrs. Hope Hudson, Mr. & Mrs. Clyde Fox, Miss Emma Knight, & Mr. Moffett representing Mrs. Cora Green, in reference to the sewer condition on lower Court Street.

Mr. Wheatley reported that he had been to see Mr. Turner and no corporation could be obtained to the right of way through their property.

Mayor Wilmer also reported that he had seen Mr. Turner and did not get any corporation.

After some discussion a motion was made by Mr. Rogers seconded by Dr. Moyer that a sufficient amount of property on Maple Avenue belonging to Mr. Turner be condemned so that the sewer could be connected.

We have had some complaints about the weeds not being cut. Also the trees shading the lights. Numerous complaints about the garbage.

It was moved to table the garbage complaints until the next meeting.

There being no further business the meeting adjourned.

Maria B. Goff Clerk.
