The members of the Water Board as follows President Mr. Fowler. Capel. Williams & Cooper met with their Engineer Mr. W. S, Buckley in reference to Post War Planning and having a Map of the Town drawn and have all the Water connections and pipes put on. After some discussion it was motioned by Mr. Wheatley seconded by Mr. Rogers that we do not have a map for the sewers at this time and we were in favor for the Water Board to continue on their project.

A new ordinance was read and accepted for the Garbage contract removal, motion by Mr. Wheatley seconded by Dr. Moyer that we have same published.

Mayor Wilmer reported that the Contract to hage the Streets oiled had been given to George D. Fox and the work to be done in next two weeks.

There being no further business the meeting adjourned.

Marie B. Legg Clerk.
